Pro871 Pipe & Cable Locator

Great for
Plumbers
Landscapers
& Telcos

Features

- Locates Buried Metal Water & Gas Pipes
- Tracks Electrical/Telephone/Lighting Cable
- Dual Frequency Capability (Hi/Lo)
- Audible & Visual Tracking Indicators
- Easy to Use
- Null or Peak Tracking Operation
- Hard Carry Case
- Inductive Clamp (optional)
- Finds Ground Faults in cabling
- Uses D Size Batteries (included)

FEATURES

Pro871 Pipe & Cable Locator is a new low cost locator for Plumbers, Telcos, Contractors and maintenance personnel.

Incorporating a dual frequency transmitter and sensitive receiver, the Pro871 tracks metal water & gas pipes, trace wires for high pressure gas lines and optical fibre, as well as electrical, telephone and lighting cable. It can also be used to find ground faults in underground cabling.

Pro871 transmits an easy to follow beep signal that is tracked by the receiver. Simply connect the transmitter to ground and the pipe/wire to be tracked. Follow the beeps with the receiver using the visual meter, on-board speaker, or the headset.

Pro871 offers features not previously available at a budget-conscious price. Pro871 features both Hi & Lo Frequency capability and either null or peak tracking capability. In addition, the Inductive Clamp (optional) allows non-metallic connection to wires & cables, inducing signal onto the conductor and providing a tracing signal.

SPECIFICATIONS

Power Requirements:	8x D Size Batteries (Transmitter) 1x 9V Battery (Receiver)
Battery Life:	Transmitter - 50 hours / Receiver - 15 hours
Transmitter Frequency:	2Khz & 33Khz
Transmitter Power:	200mW (1Kohm)
Voltage Protection:	110Vac / 200Vdc
Weight:	3.6Kg
Warranty:	12 Months

INCLUDES

Transmitter / Receiver / Ground Stake / Headset / Hard Carry Case / Connection Leads with Alligator Clips / Inductive Clamp (optional) / Batteries for both Transmitter & Receiver

Also Available

- Pro290 - Residential Wire & Fault Locator
- Pro700 - Wire & Solenoid Locator
- Pro300 - Residential Solenoid Locator
- S2002 - Solenoid Seeker
- BLM2015 - Buried Line Locator
- Pro48K - Solenoid Activator Kit
- Pro1000 - Divining Rod
